

MOSAIC REFLECTIONS

August 10 ~ 13, 2017
Benedictine Abbey of St. Walburga

Come explore modern mosaics in a contemplative setting as you enter into a quiet space to listen and respond to God while arranging glass and other materials into a mosaic.

The retreat will include reflection, prayer, music and silence as well as hands-on instruction and demonstrations. Beginners as well as experienced mosaicists will benefit from this time of intentionally focusing on the creative process.

Instructor Kathy Thaden's award-winning mosaics have been exhibited across the US and in Canada. Kathy describes working in mosaic as "a transforming process. The pieces are broken, shaped, fit together and made whole again."
